1. INTRODUCTION & PURPOSE

THE PUPIL PREMIUM

The Pupil Premium (PP) is additional funding allocated to schools on the basis of the number of pupils who have been eligible for free school meals (FSM) at any point over the last six years (known as 'Ever 6 FSM'). The Pupil Premium is aimed at addressing the current underlying inequalities which exist between children from disadvantaged backgrounds and their peers. The Pupil Premium was initially introduced in April 2011.

Financial year 2018-2019

Pupil premium funding is paid to academies and free schools in quarterly instalments:

- 9 July 2018
- 8 October 2018
- 9 January 2019
- 8 April 2019

In the 2018 to 2019 financial year, schools will receive the following funding for each child registered as eligible for free school meals at any point in the last 6 years:

Disadvantaged pupils	Pupil premium per pupil
Pupils in years 7 to 11 recorded as Ever 6 FSM	£935
Looked-after children (LAC) defined in the Children Act 1989 as one who is in the care of, or provided with accommodation by, an English local authority	£2,300
Children who have ceased to be looked after by a local authority in England and Wales because of adoption, a special guardianship order, a child arrangements order or a residence order	£2,300
Service children	Pupil premium per pupil
Pupils in year groups reception to year 11 recorded as Ever 6 service child or in receipt of a child pension from the Ministry of Defence	£300

Eligibility:

Ever 6 Free School Meals (FSM)

The pupil premium for 2018 to 2019 will include pupils recorded in the January 2018 school census who are known to have been eligible for FSM since May 2012, as well as those first known to be eligible at January 2018.

Children adopted from care or who have left care

The pupil premium for 2018 to 2019 will include pupils recorded in the January 2018 school census and alternative provision census, who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order (previously known as a residence order). These are collectively referred to as post-LAC in these conditions of grant.

Ever 6 service child

For the purposes of these grant conditions, Ever-6 service child means a pupil recorded in the January 2018 school census who was eligible for the service child premium since the January 2013 census as well as those recorded as a service child for the first time on the January 2018 school census. The grant will be allocated as set out in sections 4, 5 and 6 below. Where national curriculum year groups do not apply to a pupil, the pupil will attract PPG if aged 4 to 15 as recorded in the January 2018 school census.

Virtual Funding

Children who have been in local-authority care for 1 day or more also attract £2,300 of pupil premium funding. Funding for these pupils is managed by the [virtual school head \(VSH\)](#) in the local authority that looks after the child. This funding is given to the Virtual Headteacher for Trafford, Lynsey Burridge.

This policy and action plan outlines how Wellington School plans to utilise the Pupil Premium (PP) funding to effectively raise standards of attainment and achievement for **all pupils**.

At Wellington School, we recognise the importance of ensuring all pupils, whatever their background or circumstance, are provided with a quality and relevant education. This will ensure that all pupils are equipped with the knowledge and skills they will need to succeed in life beyond School.

HOW WE WILL MAKE DECISIONS REGARDING THE USE OF THE PUPIL PREMIUM

In making decisions on the use of the Pupil Premium we will:

- Be transparent in our reporting of how we have used the Pupil Premium, so that our parents, interested stakeholders and Ofsted are fully aware of how this additional resource has been used to make a difference.
- Encourage up-take of FSM by working proactively with our parents and carers in a sensitive and supportive manner and to remove any potential barriers or stigma attached to claiming FSM. In doing so, we also recognise the vital role that parents and carers play in the lives of their children.
- Be mindful of the fact that eligibility and take-up of FSM does not equate with pupils being considered to be of 'low ability' because of their social circumstances.
- Ensure there is robust monitoring and evaluation in place to account for the use of the Pupil Premium, by the school and governing body.
- Recognise the fact that PP eligible pupils are not a homogeneous group and cover a wide range of needs. As such, the strategies we use to raise attainment will take these groups and individual needs fully into account.
- Use high quality teaching and learning as the preferred way to narrow the gaps in attainment in the first instance. We will also use high quality interventions with proven evidence of impact to assist our pupils who need additional support.
- Use the Pupil Premium for all year groups not just those taking examinations at the end of the year.
- Utilise **"The Wellington Ten"** as the key strategies for narrowing the PP gap:

The Wellington Ten

1. **Quality First Teaching**
2. **Improving feedback**
3. **Intervention (in class first THEN out of class)**
4. **Pastoral Support**
5. **SEND – Literacy/Numeracy**
6. **Homework**
7. **Raising aspirations**
8. **Tracking**
9. **Engaging Learners**
10. **Engaging parent**

Appendix A

Barriers to Learning **Wellington Pupil Premium Students**

School - Home - Societal

The barriers were identified following a range of actions which included:

- Discussion with PP pupils
- Observation of PP pupils in lessons and around school
- Analysis of data – academic, attendance, behaviour
- Discussion with staff, parents and Governors

School

- KS2 attainment– Some lower ability pupils are PP however NOT all PP pupils are low ability pupils.
- Attendance – Gap between PP and NPP attendance, Persistent absence
- Low literacy levels – reading ages may hinder progress across curriculum
- Behaviour – there are some PP students who display behaviours that hinder their academic and social progress.
- Aspirations – although destination data is good, not clear how well PP pupils sustain attendance at college courses. Effort grade data does indicate potentially low aspiration – need to review provision of high quality CIAG
- Mind set – there is a need to develop resilience and determination for key PP pupils
- Enrichment – less PP pupils engage in enrichment opportunities
- Anxiety surrounding school
- Low-self-esteem

Home

- Safeguarding and Social care : Some pupils who are involved in TAF, CIN, CP are PP pupils
- Homework: More PP pupils struggle to meet homework deadlines than NPP pupils- due to a lack of resources (printer/internet) or a lack of a suitable environment.
- Organisation: Some PP students do not arrive in school with the correct equipment
- Disengaged parents

Societal

- Safeguarding and Social care : Some PP pupils have generated safeguarding concerns
- Community: Some PP pupils are involved in anti- social behaviour and risk taking behaviour in local community
- Vulnerability in wider community

Desired Outcomes: **Wellington Pupil Premium Students**

School

- Attainment – the attainment gap between PP and NPP is narrowed every year to ensure PP pupils have the same opportunities and life chances as their NPP peers
- Progress – the progress of PP pupils is accelerated in comparison to NPP pupils to ensure more than expected progress is made to narrow the attainment gap rapidly.
- Attendance – Attendance Action Plan is implemented to increase the attendance of PP pupils
- Low literacy levels – reading programmes are in place and impact on pupils’ ability to access the curriculum. Staff have a sound understating of the importance of reading ages and can effectively teach reading skills in every classroom
- Behaviour – there is not a disproportionate amount of PP pupils who are in Inclusion or subject to Fixed-term exclusions.
- Aspirations – we prepare PP pupils effectively for life after Wellington by ensuring high quality access to career advice and pupils are well prepared for the next stage of their education, employment or training. (No NEET students)
- Mind-set – PP pupils value their education, are confident learners who challenge themselves to reach their potential
- Enrichment – PP pupils take part in enrichment opportunities that will secure personal development
- Students feel safe and happy
- Students value and respect themselves and feel strong self-worth.

Home

- Safeguarding and Social care - Pastoral staff are trained to cope with the demands of family related support and multi-agency working
- Homework: There are a range of support strategies in place to enable PP pupils to complete high quality homework that will impact on their academic outcomes.
- Organisation: PP students have the correct equipment to enable them to be successful in school
- Parents engage with the school through attendance at parent events and support the work of the school.

Societal

- Safeguarding and Social care: Pastoral staff are trained to cope with the demands of family related support and multi-agency working
- Community: Staff are trained to effectively support pupils who are potentially at risk by making poor lifestyle choices. School works collaboratively with agencies including community groups, police, and Health and Social care providers e.g. Healthy Young Minds

Appendix B

INTERVENTION

Intervention is defined as ‘the strategies and methods used to narrow the gap between identified target group and individuals to ensure all pupils attain well and make the expected levels of progress’. This should be both within and beyond the classroom and should be timely and appropriate to the specific skills gaps and needs of individual pupils. There are **three** distinct waves of intervention that staff should follow.

Wave 1 - The effective inclusion of all children in high quality teaching & learning.

To include:

- A nurturing environment with relevant, tailored and differentiated opportunities for learning.
- A strategic seating plan that best raises aspiration.
- Opportunities for small group experiences in a safe and secure space.
- Feedback (verbal and written) is built into every lesson and targeted to every student who has gaps in attainment.
- Extra time for responses to questions, discussions or activities, when needed.
- Scaffolding of activities and modelling of exemplar work and responses.
- Using practical activities and experiential learning.
- Opportunities for children/young people to transfer/generalise their learning in different contexts and between different subjects.
- A clear focus on literacy and numeracy.
- Opportunities for revision.
- Access to groups where pupils are working with peers of similar levels.
- Access to grouping that enables pupils to work with peers who will provide good role models for language and communication skills and for co-operative and independent application to task.
- Teaching and learning which is multi-sensory and well structured.
- Changing direction and re-shaping tasks to enhance pupil progress and understanding.

Wave 2 - Additional time-limited provision in the form of small-group intervention outside of the normal classroom.

When considering pupils for Wave 2 additional support, teachers should first consider whether the elements of Wave 1 provision are in place. Wave 2 interventions should be used for pupils who can be expected to ‘catch up’ with their peers as a result of the intervention.

To include: Small-group intervention, for example, after school booster classes, holiday revision camps, withdrawal classes during the school day. Step-out in HUB (SEND) or Inclusion

Wave 3 - Specific targeted interventions for identified pupils outside of the classroom.

- Additional time-limited intervention and provision to enhance the progress of identified children where Waves 1 and 2 are not, on their own, having the desired effect.
- This will involve intensely focused teaching activities that tackle fundamental gaps in skills, knowledge and understanding which is preventing progress

- These would usually be conducted on a 1 to 1 basis where the teacher does not expect pupils to make the expected progress in a group situation. This could include being educated “off-site” PRU/TMES etc.
