1. INTRODUCTION & PURPOSE

THE PUPIL PREMIUM

The Pupil Premium (PP) is additional funding allocated to schools on the basis of the number of pupils who have been eligible for free school meals (FSM) at any point over the last six years (known as 'Ever 6 FSM'). The Pupil Premium is aimed at addressing the current underlying inequalities which exist between children from disadvantaged backgrounds and their peers. The Pupil Premium was initially introduced in April 2011.

Funding for financial year 2019 to 2020

In the 2019 to 2020 financial year, schools will receive the following funding for each pupil registered as eligible for free school meals (FSM) at any point in the last 6 years:

- £1,320 for pupils in reception to year 6
- £ 935 for pupils in year 7 to year 11

Schools will receive £2,300 for any pupil:

- identified in the January 2019 [school census](#) or the [alternative provision census](#) as having left local authority care as a result of:
 - adoption
 - a special guardianship order
 - a child arrangements order (previously known as a residence order)
- who has been in local authority care for 1 day or more
- recorded as both eligible for FSM in the last 6 years and as being looked after (or as having left local authority care)

The funding for pupils who are looked after by a local authority, and attract the £2,300 rate, is managed by the [virtual school head](#) of the local authority that looks after the pupil.

Allocations for the 2019 to 2020 financial year, based on the 2019 census, will be confirmed at the end of June 2019.

Payments in the 2019 to 2020 financial year

Payments for academies and free schools (including special academies and AP academies)

Pupil Premium funding to academies and free schools is in quarterly instalments.

In the 2019 to 2020 financial year:

- 09 July 2019 - for academies open at 1 April 2019
- 08 October 2019 - for academies open at 1 April 2019
- 09 January 2020 - for academies open at 1 September 2019
- 08 April 2020 - for academies open at 1 January 2020

This policy and action plan outlines how Wellington School plans to utilise the Pupil Premium (PP) funding to effectively raise standards of attainment and achievement for **all pupils**.

At Wellington School, we recognise the importance of ensuring all pupils, whatever their background or circumstance, are provided with a quality and relevant education. This will ensure that all pupils are equipped with the knowledge and skills they will need to succeed in life beyond School.

HOW WE WILL MAKE DECISIONS REGARDING THE USE OF THE PUPIL PREMIUM

In making decisions on the use of the Pupil Premium we will:

- Be transparent in our reporting of how we have used the Pupil Premium, so that our parents, interested stakeholders and Ofsted are fully aware of how this additional resource has been used to make a difference.
- Encourage up-take of FSM by working proactively with our parents and carers in a sensitive and supportive manner and to remove any potential barriers or stigma attached to claiming FSM. In doing so, we also recognise the vital role that parents and carers play in the lives of their children.
- Be mindful of the fact that eligibility and take-up of FSM does not equate with pupils being considered to be of 'low ability' because of their social circumstances.
- Ensure there is robust monitoring and evaluation in place to account for the use of the Pupil Premium, by the school and governing body.
- Recognise the fact that PP eligible pupils are not a homogeneous group and cover a wide range of needs. As such, the strategies we use to raise attainment will take these groups and individual needs fully into account.
- High profile of Quality First Teaching (QFT) to narrow the gaps in attainment in the first instance. We will also use high quality interventions with proven evidence of impact to assist our pupils who need additional support.
- Use the Pupil Premium for all year groups not just those taking examinations at the end of the year.
- Utilise **"The Wellington Top Ten"** as the key strategies for narrowing the PP gap:

PP Wellington Top Ten:

The overarching philosophy at Wellington is to “level the playing field” for all our disadvantaged students

- 1) Attendance
- 2) Quality First Teaching
- 3) Strategic seating plan
- 4) Feedback
- 5) Identifying barriers
- 6) Reasonable adjustment
- 7) Tracking and Intervention
- 8) Pastoral support
- 9) Cultural capital
- 10) Raising aspirations

Barriers to Learning **Wellington Pupil Premium Students**

School - Home - Societal

The barriers were identified following a range of actions which included:

- Discussion with PP pupils
- Observation of PP pupils in lessons and around school
- Analysis of data – academic, attendance, behaviour
- Discussion with staff, parents and Governors

School

- KS2 attainment– Some lower attaining pupils are PP however NOT all PP pupils are low attaining pupils.
- Attendance – Gap between PP and NPP attendance, Persistent absence
- Low literacy levels – reading ages may hinder progress across curriculum- Catch up Premium
- Behaviour – Some PP students display behaviours that hinder their academic and social progress.
- Aspirations –high quality CIAG
- Mind set – there is a need to develop resilience and determination for key PP pupils
- Enrichment/Cultural capital – less PP pupils engage in enrichment opportunities
- Anxiety surrounding school- can be triggered by parents own attitudes/hostility to education.
- Low-self-esteem

Home

- Safeguarding and Social care : Some pupils who are involved in TAF, CIN, CP are PP pupils
- Homework: More PP pupils struggle to meet homework deadlines than NPP pupils- due to a lack of resources (printer/internet) or a lack of a suitable environment.

- Disengaged parents who may not see value in education due to their own negative experiences.

Societal

- Safeguarding and Social care : Some PP pupils have generated safeguarding concerns
- Community: Some PP pupils are involved in anti- social behaviour and risk taking behaviour in local community
- Vulnerability in wider community

Desired Outcomes: **Wellington Pupil Premium Students**

School

- Attainment – the attainment gap between PP and NPP is narrowed every year to ensure PP pupils have the same opportunities and life chances as their NPP peers

Appendix B

INTERVENTION

Intervention is defined as ‘the strategies and methods used to narrow the gap between identified target group and individuals to ensure all pupils attain well and make the expected levels of progress’. This should be both within and beyond the classroom and should be timely and appropriate to the specific skills gaps and needs of individual pupils. There are **three** distinct waves of intervention that staff should follow.

Wave 1 - The effective inclusion of all children in high quality teaching & learning.

To include:

- A nurturing environment with relevant, tailored and differentiated opportunities for learning.
- A strategic seating plan that best raises aspiration.
- Opportunities for small group experiences in a safe and secure space.
- Feedback (verbal and written) is built into every lesson and targeted to every student who has gaps in attainment.
- Extra time for responses to questions, discussions or activities, when needed.
- Scaffolding of activities and modelling of exemplar work and responses.
- Using practical activities and experiential learning.
- Opportunities for children/young people to transfer/generalise their learning in different contexts and between different subjects.
- A clear focus on literacy and numeracy.
- Opportunities for revision.
- Access to groups where pupils are working with peers of similar levels.
- Access to grouping that enables pupils to work with peers who will provide good role models for language and communication skills and for co-operative and independent application to task.
- Teaching and learning which is multi-sensory and well structured.
- Changing direction and re-shaping tasks to enhance pupil progress and understanding.

Wave 2 - Additional time-limited provision in the form of small-group intervention outside of the normal classroom.

When considering pupils for Wave 2 additional support, teachers should first consider whether the elements of Wave 1 provision are in place. Wave 2 interventions should be used for pupils who can be expected to ‘catch up’ with their peers as a result of the intervention.

To include: Small-group intervention, for example, after school booster classes, holiday revision camps, withdrawal classes during the school day. Step-out in HUB (SEND) or Inclusion

Wave 3 - Specific targeted interventions for identified pupils outside of the classroom.

- Additional time-limited intervention and provision to enhance the progress of identified children where Waves 1 and 2 are not, on their own, having the desired effect.
- This will involve intensely focused teaching activities that tackle fundamental gaps in skills, knowledge and understanding which is preventing progress, usually on a 1-1 basis
- This could include being educated “off-site” PRU/TMES/College placement etc.
