I wish to formally enquire about my exam results.

I understand that a Centre Assessed Grade (CAG) has been standardised by the examination board and may not be the same grade awarded by the examination board.

I also understand that this is solely a request for grade and that no further information will be provided at this time. If the Data Protection Officer believes that disclosure of my ranking would divulge information about a third party this will not be given.

The internal deadline for CAG grade requests is 7th September 2020. However, if your place at University is dependent on this grade, we recommend you request this as soon as possible.

Staff use only. This request has been logged.

This request has been returned to the pupil.

If you are emailing this form into School please send it to admin@wellington.trafford.sch.uk with the title **CAG Request FAO Mrs Baxter**
