

Y11 TRANSITION WORK

In the words of Harold Wilson (A former Prime Minister) 'A week is a long time in politics.'

Over the next few months it is crucial that you stay on top of political developments. In fact, if you're studying politics at A Level, you should want to be! Given the current circumstances there will be lots going on politically and it will be hard to ignore it!

In this document you will find a weekly diary. All you need to do is spend approximately an hour a week to fill it in with political developments in the UK, US or even global Politics.

The easiest way to do this is to check the @PolWelly twitter feed which is regularly updated by Mr Scott and Mrs Cooper (Even on our holidays!) or any of the following reputable news outlets/apps/Twitter accounts: BBC, Sky, The Financial Times, The Guardian, The Times, The Independent, The Telegraph, The Economist
