

Year 11 Transition Work

1. Get 2 Lever arch files. 1 for Mr Scott & 1 for Mrs Cooper. Get some 4 dividers for each folder. Put your handbook given out to you in the taster lesson in your folder at the front.
2. Spend 1 hour a week at least updating the events diary. This 1 hour does not all have to be done in one setting but it could be 10 mins a day or so. The easiest way to do this is follow the Twitter account @PolWelly and use the information posted on there. If you do not have a Twitter account, get one!
3. Read through the chapter on ***What is Politics*** and then answer the questions. Word counts are there for guidance on how much you should write.
4. As I said earlier, politics is relevant to every aspect of the world around us. Undoubtedly, that world has been dominated by COVID-19 over the past year or so. Read the information on The Impact of the Coronavirus on Politics and complete the questions. It has already had a huge impact and will continue to do so. Reference to this as an example will be important throughout the course.

**** If you are struggling with anything, please contact Mr Scott via class charts and he will be happy to help 😊 ***
