To report to the board on the adequacy of the trust's internal control framework, including financial and non-financial controls and risk management arrangements, to direct a programme of internal scrutiny and to consider the results and quality of external audit.

In line with the Academies Financial Handbook 2020 the trust must establish an audit and risk committee, appointed by the board:

- Trusts with an annual income over £50 million must have a dedicated audit and risk committee;
- Other trusts must either have a dedicated audit and risk committee or can combine it with another committee, such as finance.

Wellington School has chosen to combine the audit and risk committee with the resources committee. The audit and risk committee must:

- Direct the trust's programme of internal scrutiny.
- Ensure that risks are being addressed appropriately through internal scrutiny.
- Report to the board on the adequacy of the trust's internal control framework, including financial and non-financial controls and management of risks.

Specifically, the audit and risk committee must:

- Review the external auditor's plan each year.
- Review the annual report and accounts.
- Review the auditor's findings and actions taken by the trust's managers in response to those findings.
- Assess the effectiveness and resources of the external auditor to provide a basis for decisions by the trust's members about the auditor's reappointment or dismissal or retendering. Considerations may include:
 - the auditor's sector expertise
 - their understanding of the trust and its activities
 - whether the audit process allows issues to be raised on a timely basis at the appropriate level
 - the quality of auditor comments and recommendations in relation to key areas
 - the personal authority, knowledge and integrity of the audit partners and their staff to interact effectively with, and robustly challenge, the trust's managers
 - the auditor's use of technology
- produce an annual report of the committee's conclusions to advise the board and members, including recommendations on the reappointment or dismissal or retendering of the external auditor, and their remuneration.
