Music of the Week

**‘Human Behaviour’
by Bjork** click image to play

DID YOU KNOW?

Björk (pronounced Beyerk) is a classically trained pianist and vocalist who released her first album, *Björk* (1977), as a tween. She then went on to play in the '80s post-punk band Tappi Tíkarrass, and she co-helmed vocals for the Icelandic art-rock band the Sugarcubes before becoming the powerhouse performer she is now.

Year 11 Notice

Room 18 open every lunch and after school for you to complete your composition work
