## WORLD OF WELLINGTON PUPIL MAGAZINE

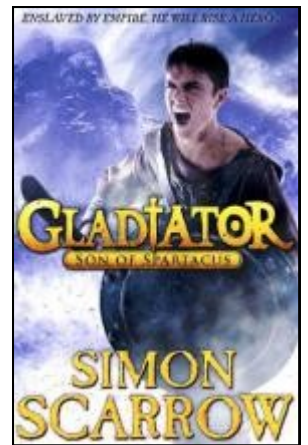

# SIMON SCARROW COMES TO WELLINGTON!

In the Spring term, the world-famous author, Simon Scarrow came to speak to Year 7 and primary school children about his books.

Scarrow, a former teacher, writes books for adults and children based upon the Romans and mythology.

As well as speaking to us about his books, he included an amazing quiz where pupils were tested on their Roman knowledge. The teams, pictured below, were amazing and it was very close; however, in the end the green team won and had their impressive score entered into the national competition. Hopefully, a trip to Bath may be on the cards!

Simon Scarrow kindly agreed to sign any books we wished to purchase and he was delighted by all of the Spartacus letters we had produced for him.

We can't wait to find out which author will be next to visit Wellington!

# EASTER FACTS!

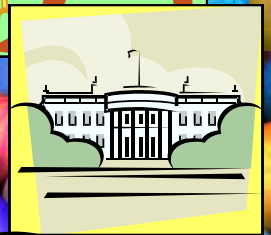

The traditional act of painting eggs is called Pysanka.

The Egyptians were the first people to exchange eggs. The Americans celebrate Easter with an Easter egg hunt on the White House lawn.

In medieval times, a ceremony of egg-throwing was held at church to celebrate.

Easter is celebrated globally. Christians believe that Easter Sunday is the holiest day in the year. Some people who are not Christians celebrate it as the beginning of Spring.

### Miss Macglinchey

#### **Do you enjoy teaching?**

Yes, I enjoy teaching people how to use the fitness suite. This is because it is very important for people to exercise efficiently and safely.

#### **How long have you been teaching students?**

I have been teaching students for four years now.

#### **Club plans for this year?**

I like running the fitness suite and teaching but I would run other clubs. I rotate the clubs I run through the year. To all those people who play basketball, after Christmas I may be running that.

### Miss McCarthy

#### **How do you teach netball?**

I give pupils a task and then ask them to complete it in a certain time period. Then I ask each group to show me their findings and we briefly discuss the best possible ways to do the certain task.

#### **How do you perform in matches?**

I have teams in years 7,8,9,10 and 11 who all try very hard and put in maximum effort in all games.

I am very proud of them.

#### **What would you say to pupils if they were to join?**

I would say to give it a go as you might enjoy it as it is a great way to make new friends.

**I would like to say goodbye to all my students and that I hope everyone has a good time at Wellington. Goodbye everyone, I will miss you all so much! Also I would like to welcome our newest P.E teacher Miss Lawson! I hope her and her P.E. Group get on very well!**
