Music of the Week

‘Double Dutch’ by Malcolm McLaren

**Get your nominations in to
Mrs Moorhouse**

Key Word of the Week

Canon

*A device in counterpoint in which
a melody played by one
instrument is imitated by one or
more other voices or
instruments, entering after the
first has started, similar to a
round. The word canon may
describe either the device as it
occurs in a piece of music or a
complete composition in this
form, such as the well-known
example by Pachelbel.*
