Date 22nd May 2018

Dear Parent/Carer,

During the week Monday 18th – Sunday 24th June 2018, Trafford Strategic Safeguarding Board and their partners which include Trafford Council, Greater Manchester Police, NHS and others across Greater Manchester will be holding a week of action in relation to raising awareness of and tackling, child sexual exploitation.

We want to work with you to raise the profile of child sexual exploitation, to address barriers that prevent children and families from talking about it, and to ensure that you have the information needed to be able to keep up with the ever advancing world around keeping children and young people safe.

Nurseries, schools, colleges and others have been provided with a variety of information that can be passed onto you, please use it at your leisure as there are some really important messages that anybody, whether a parent/carer or not, would benefit from.

Other places you can visit for information are:

www.itsnotokay.co.uk

www.tscb.co.uk

Information is also be available via our social media channels, so please follow us for updates and information, details are at the footer of this letter.

Yours faithfully,

Jake Ashall

Trafford Strategic Safeguarding Board Training Coordinator
