CAFT Mission Statement

The Children's Adventure Farm Trust cannot change a child's life in just a few days,
but believes it can show the children who stay here that
there is more to life than their day to day existence.

It is the memory a child can keep and cherish
in the darkest times that really matters.

If a child leaves with that then we have truly achieved something.

Changing a life may not be possible...
but making a difference is.

SENSORY EXPERIENCES

FEEDBACK

I would like to thank everyone who made the day very special for the boys as well as the amazing presents

Thanks for another wonderful visit to CAFT. The children (and staff) had an absolutely fantastic time and we really appreciate all your hard work and the warm welcome. As usual everyone couldn't do enough to help

Alex was a fantastic guide, and her understanding and patience with children with SEMH was a credit to your centre. She went out of her way to get to know the children's names and their unique characters, she gained their trust instantly.

The whole experience was wonderful, I expected it to be called off due to the cold windy weather but the enthusiasm of everyone working today was heart warming

The children had such an amazing time at CAFT. To see them enjoying the open space and being in such a safe environment, happily exploring all that the farm had to offer was just lovely to see.

It overwhelmed me that much that I cried when the children got to meet Santa. Thank you for giving us a beautiful memory today!!
