

2022 Schoolwear Services

9 Tatton Road, Sale. M33 7EB 0161 973 4231

www.petitesmodes.co.uk

We're parents ourselves... We get it!

No one wants to spend their Saturday afternoon taking their darlings away from their consoles (we do have sweets as a bribery though!) But don't stress, our mission is to make Schoolwear shopping hassle free, and with our 2022 Schoolwear services we'll do just that!

Savings Club

Do you ever get to August and have to decide between a day out with the kids or their School Uniform? Why not both? With our payment plans you can add credit onto your account throughout the year and have your uniform paid for by the time you reach August! You can visit us in store anytime from now to reserve your primary or secondary uniform and leave a small deposit. It's then up to you how and when you pay your balance.

This can be done in store or over the phone!

Back to school 2022

Due to the success of an appointment system over the last two years, we have decided to keep this option available during June & July. Please check our website www.petitesmodes.co.uk for updates. Please consider visiting us early – don't worry about growing room (we really are the experts at this) any item taken can always be changed later on.

Appointments will end on **31st July 2022**

We will then be operating on a walk-in basis

Please note: the cut-off date for guaranteed back to school orders is 14th
14th August 2022

We maintain a steadfast commitment to our schools, parents and children and are proud to deliver an outstanding level of service across the board.

Petites Modes was established over 60 years ago and continues in its tradition as a local family business.

Our promise is to tailor every customers needs to ensure your visit is a pleasurable experience.

Feel free to email us any queries. It is the fastest way for us to help you,
