

Wellington Race Equality Council (REC)

Lead by Mrs Jaunbocus- Cooper, the Council discusses issues that occur in the School and is solution-driven in our aim to be a truly anti-racist School.

Wellington School also has over 450 Anti-racism Ambassadors.

Our aims for 2022-23 are:

- After the success of our Eid celebrations we are looking at other cultural events we can celebrate as a community.
- Our continued Anti-Racism education - through assemblies and tutor time.
