Wellington School Uniform and Appearance Code 2023-2024

Why do we have a school uniform?

- To create a sense of pride and identity in our School, which in turn helps to build our community
- Wearing a uniform creates a 'working environment' mindset and helps to separate home and school life
- Uniform removes the points of difference between students, creates a level playing field and helps promote equality
- Uniform promotes wellbeing, improves self-confidence and reduces bullying

Wellington has high standards when it comes to uniform and appearance

By accepting a place at Wellington School, parents and students are agreeing to our uniform and appearance code

Poverty Proofing the School Day

Wellington School is committed to poverty proofing the school day. If you are struggling to meet the costs of replacement items then please contact your child's Pastoral Manager

We aim to hold a second-hand uniform sale/exchange once a term – details of this will be posted on our website. Please donate washed items at Main Reception.

As with all our policies, we do apply reasonable adjustments for students with additional needs, for example SEND

The Governors of Wellington School reserve the right to amend the Behaviour and Appearance Code when deemed necessary.
