	Period 3	45 minutes	8S, 8T and 8F - French

* 8I Spanish assessment falls during the Influenza vaccination schedule for year 8 in school so has been moved to the previous week.

Notes:

1. All Key Stage 3 exams will be done in a classroom, students follow their usual timetable and where an exam is scheduled at that time they will complete it in their usual classroom.
2. Language assessments are done in their own classroom as there is a dictation element to the assessment.
3. Once each assessment has been marked it will be sent home with your child. It will have feedback from the teacher so you can see where your son/daughter has done well and where they can improve. The type of feedback will vary, for example it could be written comments from the teacher, or the students may have copied down whole class feedback from the board. Whole class feedback is used where the whole class has answered something particularly well, or there has been a common mistake.
