### Music of the Week

'Now is the month of Maying' by  
Thomas Morley performed by The  
King's Singers

This is an example of an English  
Madrigal, popular in the late 16<sup>th</sup> and  
early 17<sup>th</sup> centuries. The English  
madrigal can be recognised by its use  
of 'fa-la-la' type refrains

### ABRSM Exams

If you're taking your ABRSM graded  
exams and would like to practice with  
the accompaniment (wind, brass and  
strings) then sign up in Room 18 for a  
slot on Monday or Wednesday

You can also sign up for a slot if you'd  
like to practice for your piano exam in  
R18.

The sign up sheet is outside Room 18

Service Team for links to Graded Aural
