We are looking to appoint a number of colleagues (level 3 desirable but not essential) to provide learning support to pupils across the secondary age range. You will work closely with students to help them access the curriculum, develop independence and build confidence.

We have roles available both supporting our pupils within the classroom and also in our 22-place SSC unit, which specialises in supporting pupils with autism (please indicate on your application whether you wish to be considered for a role in our SSC unit).

The successful candidates will be enthusiastic, reliable and passionate about helping young people. Whilst experience of working with secondary age children would be useful, training can be provided. If you feel you have the necessary skills required for these positions, then we would very much like to hear from you.
