period – once a  
week**

**25  
LESSONS**

# Entry Requirements

- A minimum of 5 GCSEs at Grade 5 or above (including English and Mathematics).
- A minimum Grade 6 or above in those subjects to be studied at A Level (or in a 'relevant' subject where the subject chosen has not been taken at GCSE).
- Students wishing to study Physics, Chemistry or Biology must have achieved a minimum Grade 6 or higher in GCSE Mathematics.
- Students wishing to study A Level Mathematics should have achieved a GCSE Grade 7 or above.
- If you wish to study two or more science A levels, It is recommended that you can achieve a grade 7/7 in Science dual award or 7 in single sciences.

# Our advice- selecting subjects...

We are looking to provide further opportunities for you to find out more about each subject option available at A level but here are some thoughts from the Sixth form team...

- Do you enjoy the subject?
- Current success?
- Possible links to future courses or careers?
- Make use of Unifrog resource to look at careers and related subjects
- Consider subject combinations.
- Please use the resources provided on the website and also brochures provided to find out more about specifications and whether they are 100% exams or do they include some NEA weighting?

Why choose  
Wellington Sixth Form?  
What makes us different?

Community

Achievement  
(Success Stories)

Rigour with reason

Every student matters

# Community

- Pastoral care is core to our community.
- Unlimited support – Tutor/Staff/Sixth Form Team
- Communication with home – UCAS evening, Information evening,
- Tutor programme including C4L
- Enrichment opportunities link our students to the School and wider community – Sixth Form Leadership Team
- Whole school contributions

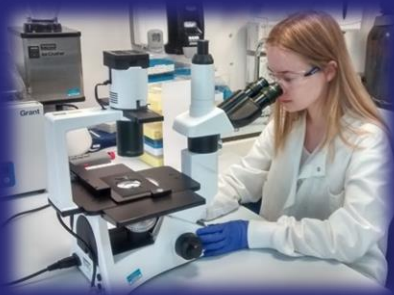

The University  
of Manchester

& Theology  
At  
Durham  
University**

**AAB**

**Medicine  
at  
University of  
Manchester**

**Overwhelming  
majority of students  
got their first choice  
Uni! (89%)**

**More students than  
ever have gone to  
Russell Group  
Universities**

# Rigour with reason

- Monitoring and support is key to success in our sixth form.
- Assessment weeks.
- Target and predicted grades used to monitor progress on a regular basis.
- Extra support always available.
- Home/School contact is crucial here.

# Every student matters

- We are an inclusive sixth form that cares about each of our students welfare and progress.
- Range of activities and support offered by our staff
- Standards & Expectations
- Personalised learning
- Preparing students for life beyond Sixth Form

Lets hear from our  
Students

# What Next?

- Think carefully about your **subject choices**, **research** the subjects you are interested in. Review the curriculum guide. If you have any further questions, staff are more than happy to answer these
- Complete your application by ***Friday 30<sup>th</sup> January 2026***
- Meeting with the Sixth Form Team to discuss your application (February 2026)
- Provisional Offers March/April 2026
